# ABOUT “GLOBAL EDUCATION CELL” OR G-CELL

- Global Education Cell or G-Cell is an initiative of GECF, powered by Education Matters, wherein **higher education institutions are empowered** to establish an ecosystem **to assist study abroad aspirants**.
- Every G-Cell is **attached to an HEI** and operates, for the students and is **by the students** under the guidance of the institution.
- G-Cell works towards popularizing the **concept and benefits of globalization, global higher education opportunities and careers** thereafter.

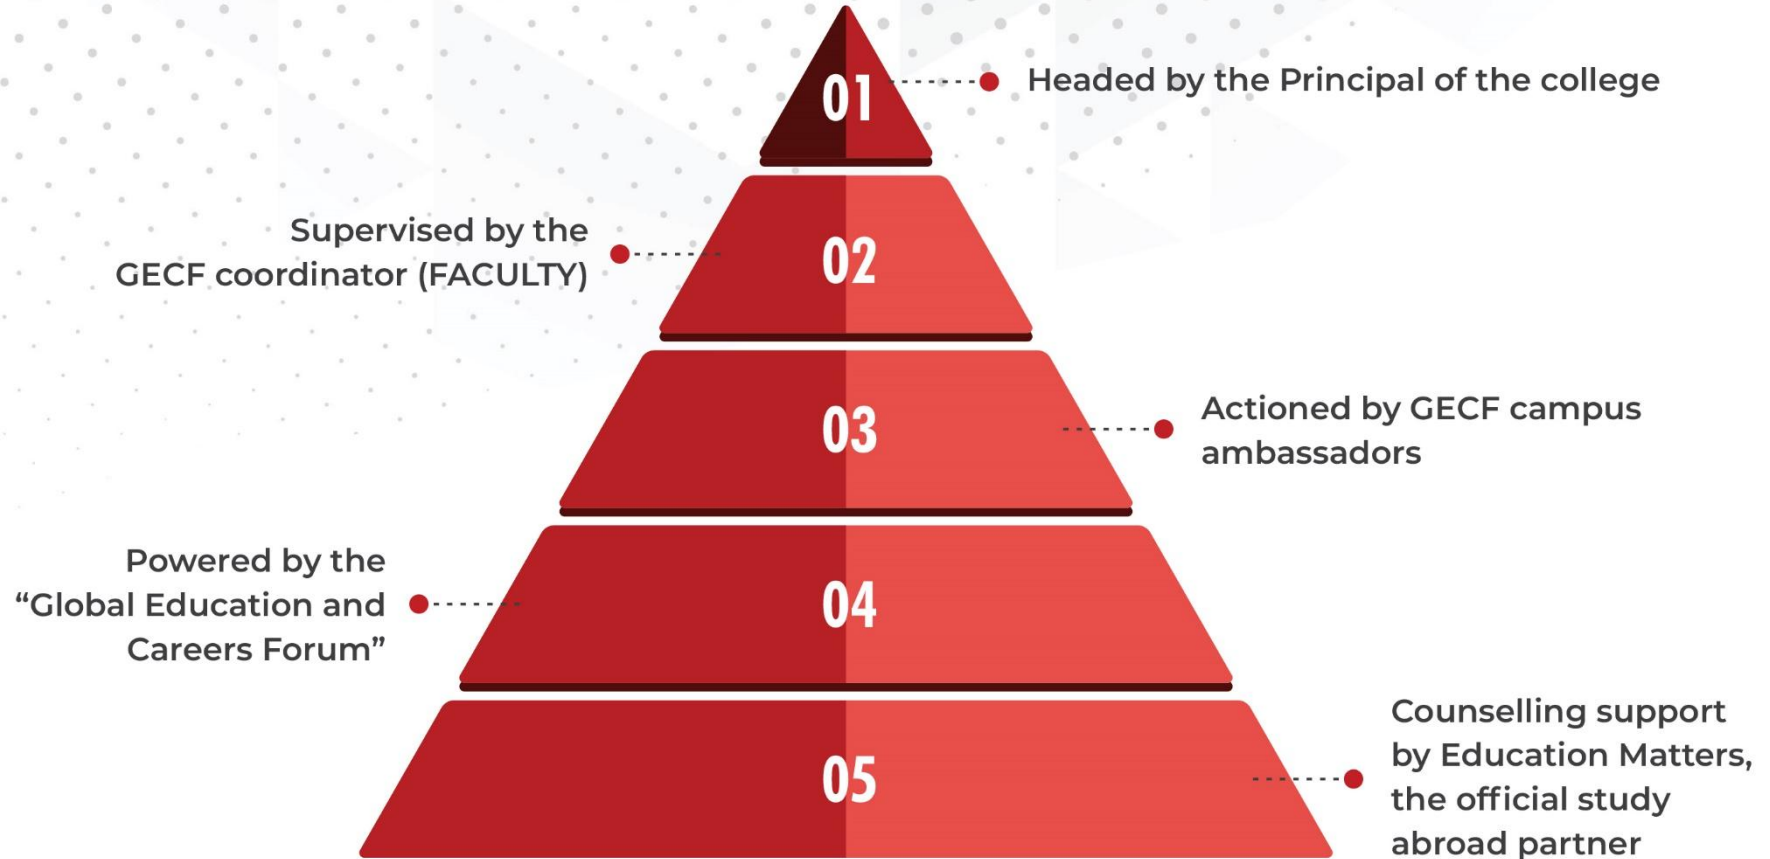

## WHY G-CELL AT COLLEGES

- Next step after the success of the placement cells are the, entrepreneur cells, and innovation cells
- Empowering the aspiration of a generation
- Most Trusted Platform- Strategic initiative of the state government, supported by JNTUH, and international government bodies, such as USIEF, Campus France, Global Wales, Enterprise Ireland, and Global Wales.
- Unbiased counselling services
- An initiative for the students and by the students
- Provides study abroad counselling services on the campus
- Helpful in national accreditations
- Access to study abroad scholarships

# STRUCTURE OF THE G-CELL

## IMPORTANCE OF THE G-CELL

## EVERY G-CELL IS EMPOWERED TO OFFER

An unbiased  
study abroad  
counselling  
service to  
identify  
destinations,  
institutions  
and courses

Support for  
application  
processing

Scholarship  
application  
support

Support to  
secure  
education  
loans

Support to  
apply for  
student  
visa
